This standard requires that we plan and perform the review to obtain moderate assurance as to whether the financial statements are free of material misstatement. A review of Interim Financial Information consists of making inquiries, primarily of persons responsible for financial and accounting matters, and applying analytical and other review procedures. A review is substantially less in scope than an audit conducted in accordance with Standards on Auditing and consequently does not enable us to obtain assurance that we would become aware of all significant matters that might be identified in an audit. Accordingly, we do not express an audit opinion.

In the conduct of our review, we have relied on the Financial statements of Parent Bank reviewd by the Central Statutory Auditors as per Regulation 33 of the SEBI (Listing Obligations and Disclosure Requirements) Regulations, 2015. Based on our review as aforesaid, subject to limitations in scope as mentioned in Para 2 above, nothing has come to our attention that causes us to believe that the accompanying statement of unaudited financial results together with the notes thereon (prepared in accordance with applicable accounting standards and other recognised accounting practices and policies) has not disclosed the information required to be disclosed in terms of Regulation 33 of the SEBI (Listing Obligations and Disclosure Requirements) Regulations, 2015 read with RBI circular (2016-17/29 dt. 28/07/2016 with respect to half-yearly/quarterly review of the account of public sector banks) including the manner in which it is to be disclosed, or that it contains any material misstatement or that it has not been prepared in accordance with the relevant prudential norms issued by the Reserve Bank of India in respect of income recognition, asset classification, provisioning and other related matters.
