SPECIAL CONDITIONS

- 1. The works at the branch/Office premises need to be executed duly taking care of the local bye laws/regulations of the local authorities like Police Dept, Water supply and Sanitary Board, Electricity Board, Central/ State Labour Commission etc. Necessary permissions, licenses, temporary connections if needed shall be obtained by the Contractor and Bank shall not be held responsible for any lapses.**
- 2. The works shall be executed duly taking care of all safety measures and Bank shall be fully indemnified for any 3rd party claims, casualties, mishaps, loss of property etc. related to the undertaking & the execution of the subject work.**
- 3. Bank reserves the right to award the works to the second lowest (L2) bidder if the lowest bidder (L1) backs out.**
- 4. GST TAXES: As per the new Goods & Services Tax (GST) structure, the tenderers are required to have GSTIN number & Tenderers without GSTIN number are not eligible to participate in the tender process. The details as per the Annexure I attached are to be mandatorily furnished along with the tender. The eligible tenderers are requested to quote the GST separately. The taxes will be deducted at source as per the statutory requirements. While raising the bill, it shall be mentioned as bill to Canara Bank and our Bank's GSTIN number to be mentioned.**

**CANARA BANK'S TELANGANA STATE GSTIN NUMBER IS AS BELOW:
36AAACC6106G3Z0**

- 5. Tenderers are requested to submit Bid Security Declaration as per the format provided in the Tender Document**

GENERAL RULES & INSTRUCTIONS FOR THE GUIDANCE OF TENDERER.

- Tenderers are expected to visit the site before quoting the rates and should satisfy themselves as to the nature and conditions of work facilities available etc.
- The tenderers are required to examine the enclosed general plan, tender form and conditions mentioned in the tender.
- The tenderers should quote the rates in the figures. The amount for each item should be worked out and the requisite totals shall be given. The total amount shall be written both in figures and words.
- The rates quoted in the tender shall be for measured finished works and shall include all changes including cost of materials, transportation, freight charges etc. complete.
- The work is to be completed within **21 (TWENTY ONE)** days from the date of issuing work order/confirmation from our side or handing over vacant possession of the site whichever is later.

6. The successful tenderer shall give all necessary personal attention to the work during the process of work and also until the expiry date of “Defects Liability Periods” which is 12 months after the date of completion of the work.
7. The bank reserves the right to reject any portion of the work or material, which is, found unsatisfactory not up to the standard.
8. A retention amount of 5% of the bill amount will be retained from the final bill and shall be paid to the successful tenderer after the defects liability period is over and upon the certification of the engineer.
9. Income tax deduction at prevailing / appropriate rates will be retained from each running bill which will be certified by the income tax authorities and a receipt will be given to the contractors.
10. GST will be decided as per the statutory requirements. Any other tax on materials, labour, services etc. in respect of this work shall be payable by the contractor and bank will not entertain any such claims.

CONDITIONS OF CONTRACT

Note: The requirement of these conditions shall be fulfilled by the tenderer without extra charges, the item rates quoted shall be deemed to have taken these conditions in to account.

1. If any additions and alterations are found necessary, the tenderer will have to do the same within the tendered rates with the prior approval of the bank.
2. The contractor shall employ adequate labour to complete the work within the scheduled time and shall make his own arrangements for housing his materials etc.
3. The contractor shall have to make his own arrangements to house his labour and staff for their services.
4. All tendered rates shall include for the cost of materials, labour, supervision, tools, plant, transportation, contingencies, duties, breakages, wastages, sundries, scaffolding, etc complete.
5. All instruction regarding the execution of the work shall be received from the officials through consultant/architect only. Any other instructions issued directly to the contractor by anyone else shall not be binding on the bank.
6. The bank shall have the power to omit or cancel any item of work without assigning any reason whatsoever and no claim for compensation for damage will be entertained for such omissions and cancellation.
7. The contractor shall maintain satisfactory progress of work as well as maintain a desired level of workmanship. If in the opinion of the bank the progress is unsatisfactory and / or the workmanship is unsatisfactory then the bank shall take possession of the work within 7 days to that effect. The bank shall then complete the entire work and rectify all the defects at the contractor's cost and consequences.
8. In case the bank is not satisfied with the quality of materials used by the contractors, they reserve the right to direct the contractor to procure such materials supplied from agencies they deem fit.
9. The contractor is to be responsible for clearing any, all dirt and rubbish and superfluous materials as they accumulate and everything unnecessary and to leave the premises in a clean and orderly condition on completion and fit for occupation. No extra payment shall be made for doing this.

10. Any work which is not approved by the bank shall have to be removed within 24 hours from the time of order and shall have to be redone by the contractor at his own cost and this cost will be borne by the contractor.
11. No deviation whatsoever for any reason will be permitted, however, if any deviation becomes necessary, the same should be brought to the immediate notice of the bank and written approval must be obtained for such deviation before proceeding with the execution of work.
12. The bank has got the right to supply any materials required for the work and cost of materials so supplied will be deducted from the bills of the successful contractor.
13. The contractor shall be responsible for safe custody of his material/materials issued to him by the bank till they are used for the work. He shall make his own arrangements for the safe custody and proper storage and preservation in sound condition till the same are actually used in the work.
14. The tenderer shall extended full co-operation to the other contractor /agencies like Furnishing, air conditioning, Fire & CCTV, LAN etc who are also working for the same project and co-ordinate with them in finishing the awarded work within the stipulated time given.
15. The contractor shall have a competent supervisor on the site for all the time.
16. For any new item the rate will be fixed by the bank as per prevailing fair market rate and labour which will be binding on the contractor.
17. In case the brand of materials mentioned in the tender is not available in the market, the alternate brand shall be used only after prior written approval of the bank.
18. The contractor shall be given a single electrical connection at work site. Electrical charges for consumption by the contractor will be charged separately by the bank, contractors have to provide sub-meter.
19. The successful tenderer shall not anticipate any financial help from the bank in the form of adhoc payment / advance for mobilizing and for starting the work.
20. The contractor should strictly adhere to the specifications and make of the materials, mentioned in the annexure. Any deviation will summarily reject the items of the work and not qualify for payment.
21. The successful tenderer shall be ready to carry out works between non banking hours and even at nights and holidays.
22. The contractor should sign all the pages of the document and the same shall be submitted to us.

Signature of the Contractor with seal & date
