

# India wants talks to start in Myanmar for end of violence

**TIMES NEWS NETWORK**  
**New Delhi:** Expressing concern over the intense fighting in Myanmar, border areas leading to an influx of refugees into Mizoram, India called for cessation of violence and initiation of constructive dialogue to resolve the situation. India's foreign ministry has

once again appealed for return of peace, security and stability in Myanmar. "As a result of the fighting, in the Rihkhawdar area in Chin state, opposite Zowk-hathar in Mizoram on the India-Myanmar border, there has been movement of Myanmar nationals to the Indian side. We are deeply concerned with such incidents

close to our border. Our position on the ongoing situation in Myanmar is very clear — we want cessation of the violence and resolution of the situation through constructive dialogue," said Arindam Bagchi, spokesperson, MEA. "We reiterate our call for return of peace, stability and democracy in Myanmar. Since the current conflict

started in 2021 in Myanmar, a large number of Myanmar citizens have been taking refuge in India. Local authorities in the concerned neighbouring states have been handling the situation appropriately on humanitarian grounds. We have also been facilitating the return of those who wish to go back to Myanmar," he added.

## Man falls to death from bridge while taking selfie

**Saharanpur:** A 24-year-old man died after falling off a bridge while taking a selfie in a village under the Nagal Police Station here, police said on Friday. Mujim, a resident of Aurangzebpur village, had come to Mubarkpur village in Dehat Kotwali area to attend a wedding. On Thursday evening, he went to the highway with his cousin and started clicking selfies standing on the bridge, SP, Dehat, Sagar Jain said.

# NMC must restore respiratory medicine dept, say experts

**TIMES NEWS NETWORK**  
**New Delhi:** The Indian Chest Society (ICS), which represents over 6,000 respiratory medicine specialists across the country, has opposed the National Medical Commission's (NMC) decision to drop respiratory medicine from its list of essential departments in medical colleges for the MBBS course.

the MBBS course, and a 30-day timeframe was allocated for feedback and responses. Two months later, a gazette notification was published, which highlighted that three departments (departments of respiratory medicine, emergency medicine, and physical medicine and rehabilitation) were excluded from the list of required departments for running undergraduate courses and a new department (department of integrative medical research) was included.

In a position statement published in the journal Lung India, the ICS has demanded the NMC should reinstate the department of respiratory medicine as a 'required' department for medical colleges running undergraduate courses across India. On June 26, the NMC issued a circular soliciting comments and suggestions on the draft regulations for the minimum standard requirements (MSR) for medical colleges across India. Aligning with the MCI/NMC regulations, the proposed list consisted of 23 departments, including respiratory medicine as 'required departments' to run

the MBBS course, and a 30-day timeframe was allocated for feedback and responses. Two months later, a gazette notification was published, which highlighted that three departments (departments of respiratory medicine, emergency medicine, and physical medicine and rehabilitation) were excluded from the list of required departments for running undergraduate courses and a new department (department of integrative medical research) was included. The ICS said it is important that all MBBS students acquire knowledge and skills to manage patients of respiratory diseases during their MBBS curriculum from the department of respiratory medicine.

## Three killed in Odisha road accident

**Bhubaneswar:** Three persons were killed and another injured when a speeding truck hit them in Odisha's Angul district, police said on Friday. The accident took place at Barapali near Kishor Nagar on Thursday night when the victims were standing on the road as their bus (in which they were travelling) developed a flat tyre.
