#### NIT Ref. COHUB: P&E:DPJ:11263: 2024-25 dated 18.06.2024

- **13.** A retention amount of <u>3% of the bill amount</u> will be retained from the final bill and shall be paid to the successful tenderer after the defects liability period is over and upon the certification of the engineer.
- **14.** Income tax deduction at prevailing / appropriate rates will be retained from each running bill which will be certified by the income tax authorities and a receipt will be given to the contractors.

#### **CONDITIONS OF CONTRACT**

- **1.** If any additions and alterations are found necessary, the tenderer will have to do the same within the tendered rates with the prior approval of the bank.
- **2.** The contractor shall employ adequate labor to complete the work within the scheduled time and shall make his own arrangements for housing his materials etc.
- **3.** The contactor shall have to make his own arrangements to house his labor and staff for their services.
- **4.** All tendered rates shall include for the cost of materials, labor, supervision, tools, plant, transportation, contingencies, duties, breakages, wastages, sundries, scaffolding, etc complete.
- **5.** All instruction regarding the execution of the work shall be received from the officials through consultant/architect only. Any other instructions issued directly to the contractor by anyone else shall not be binding on the bank.
- **6.** The bank shall have the power to omit or cancel any item of work without assigning any reason whatsoever and no claim for compensation for damage will be entertained for such omissions and cancellation.
- **7.** The contactor shall maintain satisfactory progress of work as well as maintain a desired level of workmanship. If in the opinion of the bank the progress is unsatisfactory and / or the workmanship is unsatisfactory then the bank shall take possession of the work <u>within 7 days</u> to that effect. The bank shall then complete the entire work and rectify all the defects at the contractor's cost and consequences.
- **8.** In case the bank is not satisfied with the quality of materials used by the contractors, they reserve the right to direct the contractor to procure such materials supplied from agencies they deem fit.
- **9.** The contactors is to be responsible for clearing any, all dirt and rubbish and superfluous materials as they accumulate and everything unnecessary and to leave the premises in a clean and orderly condition on completion and fit for occupation. No extra payment shall be made for doing this.
- **10.** Any work which is not approved by the bank shall have to be removed within 24 hours from the time of order and shall have to be redone by the contactor at his own cost and this cost will be borne by the contractor.
- **11.** No deviation whatsoever for any reason will be permitted, however, if any deviation becomes necessary, the same should be brought to the immediate notice of the bank and written approval must be obtained for such deviation before proceeding with the execution of work.

#### NIT Ref. COHUB: P&E:DPJ:11263: 2024-25 dated 18.06.2024

- **12.** The bank has got the right to supply any materials required for the work and cost of materials so supplied will be deducted from the bills of the successful contractor.
- **13.** The contactor shall be responsible for safe custody of his materials/materials issued to him by the bank till they are used for the work. He shall make his own arrangements for the safe custody and proper storage and preservation in sound condition till the same are actually used in the work.
- **14.** The tenderer shall extended full co-operation to the other contactor /agencies like electrical, air conditioning, Fire & CCTV, LAN etc who are also working for the same project and co-ordinate with them in finishing the awarded work within the stipulated time given.
- **15.** The contactor shall have a competent supervisor on the site for all the time.
- **16.** For any new item the rate will be fixed by the bank as per prevailing fair market rate and labor which will be binding on the contactor.
- **17.** In case the brand of materials mentioned in the tender is not available in the market, the alternate brand shall be used only after prior written approval of the bank.
- **18.** The contactor shall be given a single electrical connection at work site. Electrical charges for consumption by the contactor will be charged separately by the bank, contractors have to provide sub-meter.
- **19.** The successful tenderer shall not anticipate any financial help from the bank in the form of adhoc payment / advance for mobilizing and for starting the work.
- **20.** The contractor should strictly adhere to the specifications and make of the materials, mentioned in the annexure. Any deviation will summarily reject the items of the work and not qualify for payment.
- **21.** The successful tenderer shall be ready to carry out works between non banking hours and even at nights and holidays. The contractor should sign all the pages of the document and the same shall be submitted to us.

Acceptance of contractor for Labor laws

- The successful tenderer / Contractor shall carefully and diligently implement the provisions of the Contract Labor Act & Contract Labor Rules.
- The Bank shall be entitled to deduct from the Contract Consideration, any such amount which the Bank has to pay in accordance with the Contract Labor (Regulation & Abolition) Act 1971 and Workmen's Compensation Act, in the event of the Bank having to disburse compensation / effect any payment under the Contract Labor Acts / Rules.
- Please note that as per rule 81(1) of Contract Labor (R&A) Rules, 1971, it is mandatory on the part of the Contractor to the display the notice containing the following details at prominent place at the work site.
  - a) Rates of wages.
  - b) Hours of work.

🕅 치೦ಡಿಕೇಟ್ सिंडिकेट Syndicate

#### NIT Ref. COHUB: P&E:DPJ:11263: 2024-25 dated 18.06.2024

- c) Wage periods.
- d) Dates of payment of wages.
- e) Names & addresses of the Labor Inspectors having jurisdiction &
- f) Date of payment of unpaid wages.

The notice containing the above details shall be displayed without fail at the work site.

- 1. The Contractor shall not engage any workmen for wages, less than the minimum wages prescribed under the notification issued by the Central Government.
- 2. The contractor should follow all labor laws/guidelines laid down by central /state government from time to time.
- 3. ABNORMALLY HIGH AND LOW RATED ITEMS :

For item rate tenders if, the rates quoted by the lowest bidder for certain items of the Bill of Quantities of the tender are found to be abnormally high or low in comparison to the market rate analysis of the item done by the Architects/Bank and or in comparison to Architect/Bank's method of working out market rate justification for the items, the same shall be governed as under in order to avoid financial loss to the Bank in the event of default of Bidders.

- i. For abnormally high rated items (AHR), the progressive payment shall be 80% (eighty percent) of the payment due to the Bidder against execution of the AHR item. The balance withheld 20% payment shall be released after 75% of total value of the original contract is complete in financial terms or this 20% withheld payment can be released to the Bidder on submission of an unconditional bank guarantee of equivalent amount in the proforma of Bank. Further deviation limit for AHR items shall be nil on plus side and Bank reserves the right to restrict, substitute or not execute the AHR items during execution. The decision of the Architect/Bank's Engineer in this regard shall be final and binding on the Bidder.
- ii. For abnormally low rated (ALR) items the Bidder shall submit Bank Guarantee of difference in total of amount of ALR item(s) and the total amount of corresponding items at market rate of the Architect/Bank. This bank guarantee shall be valid till completion of the project. In exceptional circumstances, the amount of Bank Guarantees (BG) may be reduced or BG released earlier than completion period if, in view of Architect/Bank's Engineer, all ALR items as provided in the contract are executed as per terms of contract and/or not required to be executed.

Notwithstanding what is contained in Para i) & ii) above, the provisions of Para (i)and (ii) shall not be applicable on tenders invited on percentage rate basis.

The decision of the Bank on identification/ marking of AHR and ALR item are final and binding on the Bidder. In case the Bidder do not agree for furnishing of Bank Guarantee as above towards ALR items, at the time of award of works, the EMD/Performance guarantee of the Bidder shall be forfeited and decision of Architect in this regard shall be final and binding on the Bidder.

#### **CERTIFICATE**

I / WE HAVE READ, FULLY UNDERSTOOD THE ABOVE MENTIONED REGULATIONS OF LABOUR LAWS/GUIDELINES AND ACCEPT THE SAME IN TOTO. I ALSO UNDERTAKE TO FOLLOW ALL LABOUR LAWS/GUIDELINES LAID DOWN BY CENTRAL /STATE GOVERNMENT FROM TIME TO TIME & INDEMNIFY THE BANK AUTHORITIES.
