The Bank is a forerunner in implementation of IT related products and services and continuously making efforts to provide the state of art technological products to its customers. Among other offices and branches across the country, the Bank has Technology Management Section at Circle Office, Manipal.

Canara Bank, Manipal Circle, invites sealed quotations from the empanelled vendors for AMC Services for Computer Hardware Items/Modems at Branches/Offices under RO GOA for the period from 01.04.2022 to 31.03.2023.

2. Scope of Work:

- 2.1. Annual Maintenance Contract of Computer Hardware Items/Modems and related system software upgrade at various branches / offices under RO GOA for the period from 01.04.2022 to 31.03.2023.
- 2.2. The service provider should complete the asset verification of all the hardware items and confirm the working condition within 15 days from the date of acceptance of the contract. The Bank will not be liable for any pending pre existing problems reported subsequently and the same should be rectified/ resolved without any additional cost.
- 2.3. In case of termination of the contract, it is the responsibility of the service provider to hand over all the items to the Bank in good working condition. Bank, if required, may seek the help of third parties to assess the working condition of the asset. In case any item is not in good working condition, the actual cost for rectifying the issue/replacing the asset should be borne by the AMC vendor.
- 2.4. Vendor should log all service request/complaint calls from users at Branches/Offices and provide them a reference number of the same for subsequent tracking/follow-up if required.
- 2.5. Vendor should attend all Service calls within 4 working hours and resolve within a maximum period of 2 working days. If the fault cannot be rectified within the stipulated time, standby device of equivalent/higher capacity to be provided before start of the second working day after reporting the complaint. Faulty Modems are to be replaced immediately with a turnaround time of 8 working hours. Vendor should maintain sufficient buffer stock.

- 2.6. Vendor should provide call monitoring system to controlling offices of Canara Bank, i.e. Regional Office & Circle Office.
- 2.7. In addition to the repair and maintenance of hardware, the installation and updation of Software & Applications include, but not limited to the following
- Installation and configuration of software required for the bank.
 - Custom setting of Scanner, Passbook, Laser Printer.
 - Installation & Re installation of any Operating system.
 - Configuring & maintaining Custom Browser settings for web applications used by Bank.
